

**Get your company message to a global
LP Gas industry audience.
The 2009 Forum~Rio de Janeiro**

Advertising opportunities to reach this high level international gas industry audience have just opened. The World LP Gas Forum is the premier global event for leaders in the propane industry, their supplier partners, and the international agencies and policy makers that impact this business. The Forum attracts the key decision-makers your company needs to reach in this market. Be sure to include this exciting event in your 2009 advertising plans.

A limited number of ads will be included in the World Forum Show Directory, which is used as the roadmap for this global event, and kept by most attendees for future business contacts. **Do not delay!** Some advertising opportunities are one-of-a-kind. Advertisers secure ads by date and time of fax or email.

Don't miss this high profile opportunity.
